AFTER THE DELUGE

In the aftermath of the great wringing of hands and gnashing of teeth that began the Spring, the sky has opened as usual.

This is the present condition. Water, water everywhere and the end is not in sight.

OMEN?

Is this red junk in Mattapoisett harbor the first of a mighty fleet? The wave of the future?

Mattapoisett School Committee

MEETING MAY 8, 1989-by VIRGINIA MORGAN

Retiring Center School Principal Katherine Kozicki read a statement to the Mattapoisett School Committee Monday, May 8, and to approximately 40 concerned citizens, saying, "I was asked by School Superintendent Joan Walsh 10 years ago if I would consider taking an early retirement. I responded 'no, not at this time, and when I wish to retire you will be the first to know'. And Miss Walsh was the first to know in August 1988."

Miss Walsh responded, saying "I don't remember saying that, and I wish you had told me how you felt." Mrs. Kozicki said "You had been superintendent only one year and I felt uncomfortable."

The retiring principal also said, "Yes, I do hold a copy of the report issued by the superintendent to the school committee on the investigation of me." She added that when the document held by the school committee was destroyed the committee asked for her copy. "My attorney advised me not to destroy my copy as players may change. My copy has not been destroyed."

The committee voted to grant Mrs. Kozicki five weeks' vacation pay and to allow her to work an extra two weeks.

On the issue of Mrs. Kozicki's early retirement as a financial hardship to her, Dr. Philip Gaudet submitted a letter to the school committee making several suggestions on how to give her some financial relief regarding pension pay and health insurance by using one year's sick leave.

The letter read, in part, "That we, the town and taxpayers, as employers, carry this sympathetic and just recent apology one step further to correct this serious injustice.

Ina Roehr.Patricia Petit.Nancy McCloskey.Meredith Heath

I propose: that Mrs. Kozicki be granted her pension pay at the level she would earn at 20 years' employment instead of her 19 years' employment level; that her health insurance be paid for by the town as would normally be paid; that her one year accumulated sick leave with pay be granted."

Committee Chairman Clara Morgan explained it would not be fair to the committee to discuss the subject at this meeting until the members have had an opportunity to review the letter received today. "No way can we make a decision tonight." Dr. Gaudet said, "we would like to have this considered and not put on the back burner. We feel Mrs. Kozicki deserves financial consideration as she is under emotional stress. Mrs. Kozicki will be suffering after the books are closed." Dr. Gaudet added the compensation would equal what she would have had, had she stayed one more year. "A well-planned goodbye on the part of the town."

Dr. Gaudet continued, saying the money for Mrs. Kozicki is there from deductions in the pay; it would just be given one year earlier. He explained a full year's sick leave could conceivably take her up to 20 years. "I understand about non-teachers' contract, but perhaps that wouldn't happen in the future. I hope what has happened here is not a precedent setting action."

The chairman said the committee would have to talk to the business manager and discuss these suggestions among the members. "There is nothing in the non-teaching personnel contract for custodians, nurses, aides, etc. We can't do this for all those retiring early." The chairman stressed "we are working on a solution

for Mrs. Kozicki". Member Dr. John Bender commented, "we don't have any control on the money. We just have to get her to the 20-year mark."

In continuing her statement, Mrs. Kozicki said, "There has been some misinformation given here tonight. At the April 11 school committee meeting someone asked if I would benefit by a sabbatical or leave of absence. I did not respond at the time before I contacted the Massachusetts Retirement Board and the Massachusetts Teachers' Association. A leave of absence with no salary would not benefit the pension fund; with a sabbatical I would have to return to the school system. Physically and mentally I can no longer work in this system. The school committee, however, can vote a waiver on the return requirement. I have accumulated 220 days of sick leave time", she said.

She continued, "On February 25, 1988 I was told I was a problem and had to be stopped. I received no accusation in writing; I could not communicate with my accuser, so I sought legal counsel. I do not feel a precedent would be set unless the board expects to continue such dastardly deeds. Hopefully, they will not do this to anyone else."

A set of questions to which the concerned citizens sought answers were discussed at length. Chairman Morgan explained that as chairman she had talked with an attorney and it is recommended the school committee get back to running the schools. "We will hear the comments on the questions but there will be no personalities discussed."

Although the set of questions were presented to the school committee at the April 11 meeting, no action was taken at that time.

Question 1) Was policy for processing a

complaint against an administrator followed? Committee member Maureen Best said to her knowledge there was no policy. She repeated her previous explanation of events given at previous meetings, saying, "my understanding there was no investigation, just questions." Question 2) How did this investigation originate? Was this discussed with Mrs. Kozicki at a school committee meeting? Mrs. Best said this was not discussed at a school committee meeting. Superintendent Walsh also said this was not discussed at an open meeting. A private meeting was called, but Ellen Driscoll, chairman at that time, did not attend.

Question 3) Why did the superintendent call for the investigation of Mrs. Kozicki when no accusations had been made to her in writing? Why were private citizens called in for questioning? Miss Walsh said, "I did what the chairman asked. My attorney said I could be considered insubordinate if I did not respond. I did make a written report which found Katherine did nothing improper." She said she responded to the situation because it was not put to her as a rumor. She assumed that all school committee members knew the situation.

Question 4) Why was communication on this issue denied to parents and community members? Why were documents destroyed? Member Best explained she denied having the report read in an open session at the time and felt it said nothing incriminating "For the sake of the private individuals concerned and Mrs. Kozicki we (the committee at that time) felt it best to destroy the report."

Mrs. Daune Smith gave her compliments to Chairman Morgan saying the meetings have been conducted very professionally. Mrs. Morgan said it has been very difficult for her to remain neutral. "I worked under Katherine for many years, and I've

never worked under a better principal".

Old Hammondtown Principal William Reed commented, in referring to Superintendent Walsh's actions, "If she had not followed legal counsel, she could have been held as insubordinate to the school committee. If that's Massachusetts General Laws, it is deplorable. I would not like this to happen to anyone else."

CALL US TODAY!

In other school committee business, Chairman Morgan asked for a moment of silence in memory of Matthew Heuberger, a 1988 graduate of Old Rochester Regional High School, who died recently in a motorcycle accident. A letter of sympathy will be sent to Matthew's family.

A CERTIFICATE OF APPRECIATION was presented to Mr. Arthur Hauptman by Committee Chairman Morgan and Principal Kozicki. The principal nominated Mr. Hauptman for the National Association of Partners in Education (NSVP) Outstanding School volunteer. The awards are sponsored by Kraft, Inc., Walt Disney World and the NSVP "in recognition of his personal contribution of time, talent and concern for teachers and students."

Mrs. Kozicki explained Mr. Hauptman spends 2½ hours each school day with the Kindergarten children. She said he works very effectively with the children and they love him. He is retired from the Head-Start Program in New Bedford, has worked in the Little Peoples College and is presently working towards a degree at SMU.

Mr. Hauptman said he is grateful to have his name submitted as this award puts the Mattapoisett school system on national record. "Every member of the staff has helped me. When I get up each day I know I have work with the children."

VOTED to personally interview the three finalists for the principal position in the Search and Screening process. The committee voted to conduct the initial interview in executive session.

Miss Walsh said 55 applications have been received to date and dates will be set up for interviews.

Instructor William Spark III will replace Patricia Muldoon on the Search Committee. Other members are Yucel Carr, Diane Normand, Rosemary Bowman, Robert Hicks, Superintendent Walsh and Chairman Morgan.

ACCEPTED THE RESIGNATION of Dr. Donald C. Murphy as principal of Old Rochester Regional High School and will begin a search for a replacement. Dr. Murphy has accepted a position as principal in the Longmeadow school system.

DISCUSSED with Old Hammondtown School head custodian Franklin Caswell a previous request to consider fringe benefits for custodians. At the April 11 meeting he requested a change so as to conform with the town employees.

"We are not being treated fairly. We should be treated no better or no worse. As head custodian after 30 years I receive only five cents more per hour than a five year employee on the highway department. We are paid by the town and we are part of the town, so we should have the same benefits."

Mr. Caswell asked when he could expect an answer to his request. Mrs. Morgan said the committee would review and update the non-teaching personnel policy. "We would expect to give you an answer by September 1." She said they are studying other school systems' policies and getting help from MASC on a new policy.

ORR Superintendent for Business Andrew J. Santos explained that in making a change "we would be separate from what the other

towns in the district do. We have never adopted the town employee salary schedule. It is true up to a point that you are paid by the town, but the fringe benefits are school guidelines and not town guidelines. You have been treated well by the school committee", Mr. Santos added.

HEARD A REPORT from Special Needs Director Robert Hicks on Project GROW and a basic skills report. Mr. Hicks received permission to apply for Early Childhood Education Funds, estimated at $10,000, allocated by the federal government. "We have to tell them first how we will spend the money and have to conform to their guidelines." Project GROW is the type of program the Department of Education supports.

The Special Needs pre-school children's program for children in the district held at Sippican School in Marion would help Mattapoisett special needs children to be integrated into non-special needs classes. This will open up a positive type place for these children.

GRANTED PERMISSION to the Mattapoisett Recreation department, John Shockro, Chairman, and the Mattapoisett Men's Basketball Group represented by Phillip LaFrance and Peter Trow, to repair the basketball court at Center School. It was noted there will be no cost to the town, the group will supply the labor. The group plans to contact the town highway department to provide blacktop materials.

Repairs include extending the hardtop on both courts by two feet; grade areas to court level; new backboard, rims, and nets; seal cracks and paint lines.

ACCEPTED WITH REGRET the resignation of Barbara Coville as head teacher at Center School, effective June 30, 1989. No

Nancée Co.

reason was given for the resignation. She will remain in her position as First Grade teacher.

Superintendent Walsh said that the head teacher position has been in use for about 10 years and the salary is $500. per year over and above the teacher's salary. "I recommend the duties and salary be reviewed and make any changes, if warranted."

ALSO ACCEPTED WITH REGRET the resignation of Andrew Lynch, who has been a teacher in the school system for 18 years, most recently at Old Hammondtown School The resignation will be effective September 1, 1989. He has been on a two-year leave of absence.

VOTED TO ACCEPT a child from Onset to attend first grade at Center School as a paid tuition non-resident student. Miss Walsh explained the parents own a business in New Bedford and want their child to attend a school part way between Onset and New Bedford. The child has been attending Little Peoples College and the parents chose Mattapoisett as having a good school system. The tuition cost is $2,612.77 per year, without transportation. The funds will go into the town's treasury.

GRANTED PERMISSION to the Mattapoisett Police Department to play basketball from 7:30 to 11:30 a.m. Sunday mornings at Center School.

GRANTED the Cystic Fibrosis Association permission to hold a Bike-a-Thon on June 11th with a rain date of June 18.

VOTED to place the name of Albert King of New Bedford on the substitute teachers' list.

AGREED to have June 2 as Curriculum Day.

From Chief of Police

TO RESIDENTS OF MATTAPOISETT

Sometime between April 17th and 18th 25 gravestones were knocked over and damaged at Cushing Cemetery on Acushnet Road.

Again on April 22nd, 5 more stones were damaged, for a total of 30 gravestones knocked over and damaged.

A total of $790.00 was paid to fix and replace the stones.

My officers were alerted about this vandalism.

After 2 weeks of investigation and putting facts together, Detective Mary Lyons called to our station 4 youths and their parents to be questioned about the damage to the gravestones.

As a result of questioning and cooperation from 3 of the parents these youths will be brought to 4th District Court in Wareham to answer for their actions.

The youths, 3 from Mattapoisett and 2 from Fall River, range in age from 15 to 18 years old. Restitution for the $790.00 will also be asked for in Court.

The youths, when asked why they were

in the cemetery knocking over gravestones, could give no reasons except to say "they were just there".

When questioned, one of the youths was wearing black boots with symbols on the toe of each. One symbol stood for a "screwdriver", the other for "civil disobedience".

I know the residents of Mattapoisett, especially the families of those whose stones were damaged, would want to know that incidents like this do not go unattended to in this Police Department. I feel very strongly that actions like this deserve immediate attention and those responsible answer for their actions.

James F. Moran

ORRHS Principal Resigns

SEARCH & SCREEN COMMITTEE FOR NEW PRINCIPAL AT ORRHS

In response to Dr. Murphy's resignation as Principal of Old Rochester Regional High School, the Superintendent of Schools Joan Walsh has asked S.C.O.R.R. (Students and Community for ORR) to assist in creating a Search and Screen Committee for a new Principal. Any parent who has an interest in serving on this committee is invited to a special S.C.O.R.R. meeting on Thursday, May 18th, at 7:30 p.m. in the ORR High School Teachers' Lunchroom. At that time two parents will be selected to serve on this committee. If you have any questions please call Mona Murphy at 748-0774.

Smorgasbord Supper

Bloodmobile, May 17

The 1989 Annual Florence Eastman Post 280 Red Cross Bloodmobile will be held at the Post Hall on Depot Street, Mattapoisett from 2:00 to 7:00 p.m. on May 17th. The 1988 bloodmobile was a success despite the heat and humidity of the day.

The community goal is sixty pints in order to insure that the annual blood drive will be able to continue in Mattapoisett. We have the ability to process sixteen donors per hour, so walk-ins are expected and encouraged. Come to the bloodmobile and take part in the fifteen minute miracle - You'll feel better for it.

Marion Natural History Soc.

The Marion Natural History Society is pleased to present a timely panel of local experts who will discuss the stepped-up testing of all the waters in Buzzards Bay and how it will affect swimmers, boaters and shellfishermen and anyone else who uses the ocean.

The program will be held Thursday, May 18th, at 7:30 p.m. at the Marion Natural History Museum (over the Elizabeth Taber Library). Guest speakers are Georgia McDonald, Chairman of S.O.S. (Save Our

Shores); Harbormaster George Jennings; Douglas Thackeray, President; and other members of the Marion Watermen's Association.

Great emphasis is being placed on the fecal coliform count by the Federal Food & Drug Administration and the F.D.A. has mandated that the Massachusetts Division of Marine Fisheries test all the waters in the state by September 1, 1989. Waters not tested by that date will be designated to be contaminated and so closed to shellfishing.

Georgia McDonald, with the support of the Marion Shellfish Officer, George Jennings, and the Watermen's Association, has been organizing volunteers to help with the testing in Marion waters. With professional guidance, volunteers take samples which are analyzed by G.H.R. Analytical.

Will Marion lose hundreds of shellfishing acres? Come and be informed.

The nominating committee will present the slate of officers for 1989-1990.

HOURS: Tues-Sat 6:30-3:00; Sunday 6:30-1:00; Friday 4-8PM

The purpose of the Mariner Youth Soccer Club is to offer players the opportunity to learn the basic skills of soccer under supervision which promotes general fitness, fair play and sportsmanship. This instructional program serves boys and girls from Acushnet, Fairhaven, Marion, Mattapoisett, and Rochester.

The Fall season runs for 10 weeks from early September to mid-November on Saturday morning. Matches are played on fields in the above mentioned towns. A registration fee of $25.00 per player will be charged. This fee helps to pay for referees, field maintenance, balls, goals, nets, etc. and includes a complete uniform of shirt, shorts and socks. For additional information please telephone MYSC Registrar Linda Amaral at 997-1800 or MYSC President Sharon Dean at 758-9201.

Rochester PTA Book Sale

The Rochester Memorial School P.T.A. will be holding a Book Sale on Friday, May 26th, from 3 to 6 p.m., and on Saturday, May 27th, there will be a Book Sale and also a Plant Sale from 10 a.m. to 3 p.m. at the Memorial School.

Choose from a good selection of books for your children or a variety of annual and perennial plants for your garden. Proceeds from the Book and Plant Sale will benefit the school.

Young People's Concert

A Young People's Concert will be presented at the Marion Art Center on Saturday, May 20th, at 3 o'clock in the afternoon. The program will be made up of light classical pieces performed by the Sippican Chamber Orchestra and selected music students of Marilyn Brown and Wendy Rolfe, members of the M.A.C. faculty. This is the third annual special concert and several students have been preparing all year for the event.

The public is invited to attend, and young people are especially encouraged to see their peers perform with a real orchestra as an inspiration to less advanced pianists, flutists and violinists. There will be a $5. admission charge for adults to help defray

award by Suzanne Sylvester, Kindergarten teacher with whom Arthur works, and by Katherine L. Kozicki, Principal, who has encouraged Arthur's service in Center School for the past three years.

Arthur was nominated in the category of Intergenerational Volunteer. In recognition of his personal contribution of time, talent and concerns for teachers and students, Arthur received a certificate of appreciation from Kraft, Inc., Walt Disney World and the National Association of Partners in Education.

The Mattapoisett School Committee presented the certificate of honor to Arthur Hauptman at its meeting Monday, May 8th, in appreciation of his service to the Kindergarten children.

Arthur daily works for two and one-half hours with Mrs. Sylvester's morning Kindergarten class.

Rochester Invention Convention

The fifth and sixth grade students from Rochester Memorial School participated in the third Invention Convention on May 8th. Students from Mrs. Bradshaw's, Mrs. Lefebre's, Mrs. Haines' and Ms. Kleiman's classes followed a step-by-step process to invent a new product, improve a product or develop a new method for doing something. The Convention is designed to promote the students' problem solving and creative thinking skills.

The overall winner was chosen from the two first place winners of the fifth and sixth grades. The winner was Justin Hahn, a fifth grader, who invented an electrical protector for Nintendo.

The following are the other winners and their inventions:

Christine Newsham, Michael Outor, Dustin Martin, Jessica Manning, Chris Findley Eric Zychowicz, Mary Brogue, Josh Bishop Lindsay O'Connell, Andrea Wright. Absent were Justin Hahn, Trisha Dabb, Chris Charron.

ORRHS Band in Competition

After a long winter of rehearsals and fund-raisers, the Old Rochester Regional High School Band participated the weekend of May 5th in the North American Music Festival competition in Virginia Beach, Virginia.

The trip was proposed by Band Director Jim Farmer after last year's first place performance at the Heritage Music Festival in Newport, Rhode Island. Needless to say, the logistics of this journey made the possibilities of such a trip little more than a dream. With the support of Friends of Old Rochester Music (F.O.R.M.), the fund-raising began. The fund-raisers included: band members selling candy as well as wreaths and poinsettias at Christmas, super subs on Super Bowl Sunday as well as refreshment sales at basketball games. A tip of the hat to the residents of our tri-town area for their generous support of these fund-raising efforts. Special thanks are in order for area businesses and service clubs for their donations as well. Due to this overwhelming generosity the seven thousand dollars needed to make this trip was raised and the dream became reality with the ORR band rolling out of Mattapoisett at 2 a.m. Wednesday morning, on their way! The three days at Virginia Beach included a dinner cruise on the Chesapeake, Friday's competition, Saturday at Busch Gardens, followed by an awards dinner that evening. Band members met other students from throughout the country and the memories of this experience will live with these young adults for the rest of their lives.

Yes, it was a lot of work on everyone's part. It was a lot of rehearsal time on the part of the band. It was a lot of time and dedication by some interested, involved parents. Was it worth it? In case you missed the commotion of the Police escorting the bus back into town Sunday morning, sirens blaring, the ORR band did return victorious, trophy in hand.....number one in their division. As Officer Skip Faulkner reported to Police Department Dispatcher Janet Kennedy, "That's one busload of happy kids!".....and I might add that's a group of young people we should all be very proud of.

Mike Wood

Growth and Land Use

The Mattapoisett Planning Board has initiated the second phase of preparing a Growth Management and Land Use Plan for the Town. At its recent meeting, the Planning Board received copies of Memorandum 2 covering three alternative Concept Plans for Mattapoisett from planning consultant Burk Ketcham of Burk Ketcham and Associates.

The Concept Plans have been presented both in the form of maps and a summary text of the major elements of each plan. The Plans reflect the first phase studies covering

a detailed Community Diagnosis and the Preliminary Goals and Objectives adopted by the Planning Board on April 19th.

The Concept Plan deals with a number of major issues which were identified in the Community Diagnosis. Among these are the following: the need to protect the Mattapoisett River Aquifer, a lack of affordable housing options; a local interest in retaining the Town's rural character; anticipated problems resulting from the rapid conversion of seasonal units to year-round housing; a need to protect fragile coastal and inland ecosystems; and anticipated requirements for additional classroom space in the elementary schools. Many other issues are addressed; there are proposals for improved traffic circulation, better coordination of development along Route 6, the preservation of open space, the creation of additional playground facilities; and the construction of a bikeway along the abandoned railroad right-of-way.

Copies of the proposed Concept Plans and the prior Community Diagnosis are available for review at the Library and at the Town Clerk's office in Town hall.

To obtain public comments on the Concept Plans, the Planning Board will schedule a Public Workshop in the later part of May or in early June. The time and place will be announced at a later date. William Matthews, Chairman of the Planning Board, had the following comment on the workshop, "We would like to have all areas of the community attend the workshop so that we can get comprehensive public input. A year ago our neighboring community of Marion sponsored a similar public workshop. About 150 Marion residents turned up and engaged in a lively discussion of various plans. I hope the residents and property

Memorial Day Observance

Chairman John N. DeCosta and his committee for the Florence Eastman Post 280, American Legion have just completed plans for the Memorial Day Exercises and Parade on Monday, May 29th, at 1:30 p.m. Exercises will be held at the Public Library on Barstow Street.

The address will be given by Sergeant First Class Charles T. Briggs, United States Army. Sgt. Briggs is with the Boston Army Recruiting Battalion where he has served for six years as an Army Reserve Recruiter. A 1963 graduate of Old Rochester Regional High School he served six years with the Marine Corps which included 13 months' service in Chu Lai, S. Vietnam. After his discharge from the Marines Sgt. Briggs served ten years with the Marion Police Department where he was appointed a Police Sergeant before leaving that position in 1976. He joined the Army Reserve in 1976 and has cumulative service of 18 years during which time he has served as a Combat Medic and Infantry Drill Sergeant.

Sergeant First Class Briggs lives with his wife, Sharon (Brownell) Briggs; his stepdaughter, Holly Francis, and his youngest son, Christian, at 11 Cannon Street, Mattapoisett. His older children, Danielle and Carl Briggs also live in Mattapoisett.

The Memorial Prayer will be given by Rev. Barry W. Wall, Pastor of St. Anthony's Church, Mattapoisett. The Old Rochester Regional High School Band will play the first two selections on the program. Additional musical selections will be played

Regular unleaded

Vroom

by the Old Hammondtown School Band. The selections are America, Old Hammondtown March and the Star Spangled Banner. The Gettysburg Address will be recited by Edward S. Xavier, son of Alfredo and Martha Xavier and an 8th grade student at Old Rochester Junior High School.

All units in the parade will form in front of the monument for the Memorial Day Services. The parade will form on Barstow Street, headed north. The parade will proceed to Church Street, right on North Street, right on Water Street to the Town Wharf for the Memorial Salute to the men lost at sea. From the Town Wharf, westerly on Water to Main Street to Acushnet Road and then to Cushing Cemetery.

Following the ceremonies, the parade will proceed to Legion Hall for dismissal. Refreshments will be served to the marchers by members of the American Legion Post 280 Auxiliary.

In the event of rain the parade will be cancelled and ceremonies will be held at the Gilbert D. Bristol Auditorium at Old Rochester Regional High School at 1:30 p.m.

Parade Marshall will be Commander Michael P. Lamoreux.

Rummage and Yard Sale

The Mattapoisett Firefighters' Association will hold a Rummage and Yard Sale on June 10th from 10 a.m. to 2 p.m. at the Mattapoisett Fire Station. Donated articles will be cheerfully picked up if you call 758-2355, 758-4207 or 758-4415.

PTC Fair Silent Auction

Community response to the PTC Fair Magic's Silent Auction has been wonderful. Donations thus far include a boat cruise, with dinner, around Mattapoisett Harbor, a marine compass adjustment, French lessons, interior decorating services, camp physicals for all the children in one family, teeth cleaning, veterinary services, haircuts, and much, much more.

Many local merchants and citizens attended Center School themselves. Now is the time to support your school and help the PTC continue to bring special programs and enrichment opportunities to the children of Mattapoisett.

To donate your service or item please call Cindy Pendergast (758-4566). Please encourage all your friends to bid on these

EXTRA! EXTRA! EXTRA! EXTRA! EXTRA!

Can you help? Following is a list of people who need help with Fair Magic coming up on June 3rd at Center School. Please give them a call if there is something you can do. Thank you.

Barbara Lanagan, 758-9397, needs new and used toys for the toy table; she will pick them up.

Judy Yard, 758-6087, needs used adult and children's books (paperback or hardcover) and records; she will pick them up.

Patti Apperson, 758-4501, needs people to get dunked in the dunk tank; come on, be a sport.

Janice Kortright, 758-6541, needs baked goods for the bake table.

Dede Smith, 758-3487, needs help coordinating the Magic Showcase talent Show.

Mike Hickey, 758-6597, needs more people to man the fire engine ride.

Katherine Roberts-Gaudet, 758-9403, needs recommendations for great summertime adult reading books for a Summer Reading List to be sold at the used book table.

Cindy Pendergast, 758-2892, or Louise Preissler, 758-4566, need donations for their Silent Auction table, either a talent, service, or item would be very much appreciated. Anyone affiliated with a local business is encouraged to participate in this worthy cause.

Old Hammondtown School, 758-6241, needs all your bottles and cans. The teachers will turn them in and donate the proceeds

to Fair Magic. Drop them off in the lobby of the school. Watch for their Spirit in Pride information.

Center School, 758-2521, needs seedlings, plants, used or new garden tools, etc. for its garden table and white elephant items as well.

Volunteers are still needed. Please call Kathy Hickey, 758-6597, or Katherine Roberts-Gaudet, 758-9403.

We need your help!

Summer Reading Ideas?

The Mattapoisett P.T.C. is compiling a Summer Reading List of books for adults that will be sold at Fair Magic to be held June 3rd. If you have a favorite book that's great for beach reading, for snuggling up with during a thunderstorm or perfect for a lazy summer afternoon in the hammock please fill out the form below and drop it off in the Center or Old Hammondtown Schools' offices or mail to the P.T.C., P.O. Box 188, Mattapoisett, MA. 02739. If you are short on time call Katherine Roberts-Gaudet with your ideas. Thank you so much for your cooperation.

USED BOOK TABLE TO BENEFIT LIBRARY

In conjunction with the Year of the Young Reader, the Mattapoisett P.T.C. would like to make a sizable donation to the Children's Room at the Town Library. In order to do this the PTC will have a used book table at its spring fair, Fair Magic, to be held June 3rd at Center School. All proceeds from this table will be given a matching grant and donated to the Library for purchasing reference materials and hopefully a much needed set of updated encyclopedias.

ning its special events. It is for this reason that it is regretfully cancelling plans for the Fair Magic Kick Off, the One Mile Fun Run. Fair Magic, being held Saturday, June 3rd, at Center School is the PTC's largest event of the year. It is feared that because of traffic and congestion, someone might be hurt in the Road Race.

Don't worry! To fill the gap, the PTC will be stirring up Fair Magic with the Magical Musical March. All children are encouraged to make and decorate a "magical" instrument of some kind. Use your imagination. Bring comb kazoos, pan drums, and pot cover cymbals.

"Merlin" the Magician will be leading the march through the Magic Gates into Fair Magic at 10 o'clock. All children participating will receive a free ticket. Prizes will be awarded for the best "magical" instrument in pre-school-kindergarten, first-third grades and fourth-sixth grades.

The entry fee is $1.00 for one child or $2.00 for a family.

Other events include pony and fire engine rides, talent show, square dancing and recorder lessons, field day activities, a variety of games for ages K-6, delicious lunch and bake table, coffee, doughnuts, popcorn and candy apples, stenciling, cookie decorating, white elephant and used and new toy tables, used books, plant and garden center, can and bottle

eye talk

Q. What type of contact lens is best for sports?

A. All contact lenses can be worn for sports participation but some seem to be better suited to certain sports than others.

Because they conform close to the eye and are difficult to dislodge, soft lenses are a good choice for contact sports, water sports and activities like jogging or horseback riding, that may occur in dusty environments. But certain precautions should be taken with water sports.

Extended-wear lenses may be preferred by campers, hunters and bikers on overnight expeditions, since they do not have to be removed every day.

Some athletes prefer standard or gas-permeable hard lenses. These, however, can be dislodged during active sports and generally are not suited for water sports.

Be sure to get a thorough eye examination and proper follow-up care from your optometrist so that you will get top performance from your contacts.

Council on Aging Trips

ALPINE COUNTRY TOUR

Our Alpine Country Tour leaves for 15 days on October 2nd. Reservations are first come, first served. This trip visits Switzerland, Austria and Germany.

Brochures are available at the Council on Aging office or call Rose Roeder at 758-4571 or Florence Huetteman at 758-2972.

This trip is not exclusively for seniors or Mattapoisett residents. Down payment is due June 1st, $250.00.

DAY TRIP

On Tuesday, May 30th, the van will be going to Heritage Plantation of Sandwich. This is a very interesting museum whose subjects range from military history to horticulture. There is something of interest to delight everyone. Lunch will be at the Daniel Webster Inn. The price of admission to the Plantation for seniors is $6.00.

Please call the Council on Aging office at 758-3758 Monday through Friday, 9:00 a.m. to 12 noon, for reservations on the

NEWPORT TOUR/CRUISE

On July 25th we will be going to Newport for a two hour guided tour of Newport followed by lunch on our own at the Brick Market area, and an afternoon cruise from Goat Island to Hammersmith Farm.

The price for both transportation and boat excursion is $22.00 each. Payment is due as soon as possible.

This trip is not exclusively for seniors or Mattapoisett residents.

Letter to the Editor

Re: Article 25 - Water Main Replacements

As a resident of Pine Wood Way, it was very disturbing to see the lack of concern displayed by the residents attending the town meeting on May 2, 1989. A problem exists and must be dealt with.

My family is exposed to supposed "safe" levels of Tetrachloroethylene in our water everyday. This has been proven to be a carcinogen. Therein lies my greatest concern.

Since I pay for my town supplied water, I should be entitled to the same "pure" quality as everyone else in town. My children should not have to be subjected to this condition.

However, they will continue to be exposed until the town residents can see beyond their pockets and realize we are dealing with the future lives of others.

the Salt Lake Art Center, University of Utah R.S. Olphin Gallery, the Bierstadt Gallery in New Bedford as well as several private galleries. Of painting New England Ms. Darley said, "I love this area. It is so beautiful with its forests and the ocean. I feel like a wide-eyed child when I look around. Everything is new to me, and it provides so much to paint. I have tried to capture in my works the feelings I have for the uniqueness and beauty which I experience here. That is what my paintings are about. I hope people enjoy experiencing them as much as I enjoyed painting them."

In conjunction with the Darley exhibition the Annual Student Scholarship Show will be on display May 26 through 31 at the Art Center. Gallery hours are 1 to 5 Tuesday through Friday; and 10 a.m. to 2 p.m. on Saturday. There is no admission charge.

Tennis Lessons

The Mattapoisett and Marion Recreation Departments will again offer summer tennis lessons.

The lessons will consist of 12 hours of group instruction for beginners (ages 5-7), beginners, advanced beginners, low intermediates and intermediates.

The lessons will begin the week of June 26th and continue through the summer. Lessons in Mattapoisett will be held on Monday and Wednesday at the Center School courts and in Marion on Tuesday and Thursday at the Marion courts by the Town Hall and at the Point Road court.

The lessons are open to all residents, but class size is limited and placement will be on a first come basis. A fee will be charged.

that introduces a topic of interest that is open to the public. On Sunday, May 21st, the program will be "Opening to the Third Realm" with Dr. Gustavo Okrassa, MD. A children's program will be provided simultaneously with the adult program. The event starts at 10 a.m. followed by a wholefoods catered brunch at 11:30 a.m. The cost is $10. for non-members, $8. for members and $2. for children. For more information or to make reservations call Louise at 993-1151. The location of the May brunch is the Standish House on the corner of Sixth and School Streets in New Bedford.

Dr. Okrassa's work aims at transcending the mind - opening to what he calls the soul, where life's meaningful answers are. Dr. Okrassa, a psychiatrist, will explain accessing of the conscious level of the third realm where the seat of every illness, pain, problem or life's meaningful direction is; where the answers are to questions nobody has been able to answer....questions we have all asked.

Wholism is a basic approach to life that encompasses diverse perspectives focusing on creating wholeness in Body, Mind and Heart. Friends of Wholism publishes a quarterly and can be contacted by writing to: Friends of Wholism, P.O. Box 40801, New Bedford MA.02744 or by calling Louise at 993-1151.

James Gurney, Hartley Lane (off Converse Road) - Request for Determination. Hearing closed, negative determination issued, as entire site is out of Commission's jurisdiction.

Steven Briggs, County Road - Request for a Determination, to move a storage shed/workshop onto site. Hearing closed, negative determination issued, because proposed work is in a buffer zone but will not alter the resource area.

J. Burr Bartram, Moorings Road - Notice of Intent to add stone to southerly side of existing stone pier in order to make a more gradual slope, less vulnerable to wave damage. Hearing was closed, Orders of Conditions will be issued. Applicant will also need a Waterways Permit from the state.

Ronald Turowetz, Quail's Crossing - Notices of Intent for three dwellings with septic systems, one access road across wetlands. Question of marking bounds of 12-acre conservation area was addressed. Installation of concrete posts is most permanent solution. Work will be done by hand. Hearings continued in order to complete unfinished paperwork, will resume June 14 at 7 p.m.

Melville Heath, Jr., Point Road - Notice of Intent to repair and upgrade septic system. System has been redesigned to achieve 50 foot setback from coastal

bank. Hearing was closed and orders were written.

Norman Shachoy, Point Road - Post-construction Notice of Intent to build low stonewall at top of seawall, install paved courtyard/patio, and build concrete stairway down to beach. Work was done last summer. Most work on this site is out of the velocity zone and can be permitted. However, concrete pad which was built on and anchored to the beach would not have been permitted if a Notice of Intent had been properly filed prior to the beginning of work. Removal of concrete would be damaging to the beach, but MCC is concerned about the implications of allowing it to remain in place and therefore implying that illegal structures will be permitted provided the Commission discovers them too late. Hearing was continued until a DEQE file number is assigned.

Certificates of Compliance were requested by Joseph Pires (River's Edge) and J. Garvin Van Doren (Indian Cove). A site visit to the Pires' property is scheduled for Sunday, May 21, and MCC issued a letter indicating that no difficulty was anticipated. Mr. Pires needed a document immediately, but MCC cannot issue a certificate until a site visit is made and the matter discussed at a posted meeting. The Van Doren compliance was refused for lack of a complete replication plan, and the applicant was invited to reapply when

A Thank You

FROM FAMILY OF LATE ARTHUR P. SANTOS

Thank you to our friends in Mattapoisett and New Bedford for the sympathy and support received in our time of sorrow; all Masses and flowers received.

Special thanks to the staff of the Mattapoisett Nursing Home, Chief James Moran and Lt. James Santos.

Mrs. Arthur P. Santos

Veterans' Up-Date

Veterans who suffered a compensable service-connected disability in active military service may be eligible for vocational rehabilitation. The VA must determine that the disability causes an employment handicap and that vocational rehabilitation services are necessary to restore employment. Generally, the veteran must complete a rehabilitation program within the 12 year period following notification of entitlement to VA compensation. This time limit may be waived, however, if the disability poses a serious handicap to employment.

Vocational Rehabilitation Services include counseling, payment of all educational expenses, subsistence allowance and extended medical and dental benefits.

Application should be made on VA Form 28-1900, Disabled Veteran application for Vocational Rehabilitation.

For more information contact the VA Regional Office at their toll-free 1-800-322-0230

NORTHEAST KINGDOM - Unique Vermont hideaway. History preserved. The past is preserved in this unique Circa 1820 post & beam antique Cape that has stood the test of time. Antique stain glass windows, Cathedral post & beam ceiling grace the sunken living room. Original wide pine floors and antique barnboard preserves the interior, property is further enhanced with a prvate pond. Etched in a mountainside pine tree setting offering total privacy. New 30 x 30 artist's studio with 4 skylights and indoor redwood hot tub is well in place, not taking away from the original antique design. Near major lakes and ski areas. Stowe & Burke Mts. Excellent possibility for summer retreat or bed & breakfast. 19 very private acres. Satellite system. Too many extras to mention. This is a must see property. $285,000. Call 212-353-2739 anytime.

OFF SHORE HIGHPERFORMANCE CHARTER
Investigate the advantage of this unique new ownership advantage. Off-shore high performance time share charter. H.P. to go. 100 MPH plus. This is a new concept in high performance charter. Due to the high cost of owning and financing and maintenance costs this is totally eliminated. Your cost only involves the use of the vessel for designated time. You pay for the gas. All amenities are included in your charter. Rates may be seasonal or monthly or split charter packages are also available. Transportation of the vessel is arranged to your port of destination anywhere on the east coast. State of the art electronics are included in your design package. We feature top of the line USI-46 Cougar, 415 Stinger by Chris Craft, ARNONOW 47, Team Warlock Cats, Cigarettes Sonics. Preparation is essential. Reservations must be made 4 to 6 weeks in advance due to heavy demand of summer season. Inquire about our special event in cross-country charters. Open 7 days 9 a.m. to 10:30 p.m. Info, 212-353-2739.

Q. My first husband died of service-connected causes and I received VA Dependency and Indemnity Compensation (DIC) until I remarried. My second husband died recently. Can I regain my eligibility for DIC payments?

A. Yes. DIC benefits may be restored if the subsequent marriage ends through death, divorce or annulment.

Q. Is there a toll-free number for the Department of Veterans Affairs Insurance Center?

A. Yes. You can call the VA Insurance Center at 1-800-422-8079 if you have any questions regarding your insurance policy.

Adopt-a-Stream

Residents throughout southeastern Massachusetts are invited to a meeting that will detail how citizens can protect waterways in their respective communities, on May 18th at the Old Methodist Meeting House, 503 Main street, Wareham. Maria Van Dusen, coordinator of the Commonwealth's Adopt-A-Stream program, will speak at 7:30 p.m. on how the program is working in Massachu-

setts to assist local residents in cleaning up and protecting streams, rivers, and riverway corridors.

People involved in Adopt-A-Stream will also be on hand to explain how the program is helping them in their home areas. Brief slide shows from the Westport River Watershed Alliance and the Taunton River Watershed Association will illustrate how effective citizen efforts can be.

Those attending are invited to come early, at 6:30 p.m. for refreshments and an exhibit of Robert Scott's paintings and Marybeth Truran's photographs.

This meeting was initiated by the Open Space Committee of Wareham and is sponsored by that group and Massachusetts Coastal Zone Management, Coalition for Buzzards Bay, Plymouth County Wildlands Trust, Lloyd Center for Environmental Studies, and Westport River Watershed Alliance.

The Adopt-A-Stream program was created by the Massachusetts Department of Fisheries, Wildlife & Environmental Law Enforcement, which states, "The Commonwealth has an abundance of waterways in its 32 watersheds. All of them -- whether still pure and wild, or long-since polluted -- need the active support and watchful care of an Adopt-A-Stream group."

For further information contact the Coalition for Buzzards Bay, 759-5761, ext. 334, or P.O. Box 268, Buzzards Bay, MA. 02532.

Buzzards Bay Coalition

SHELLFISH BED CLOSURE FIGURES

Shellfish and closures around Buzzards Bay totalled 12,860 acres as of May 1, announces the Coalition for Buzzards Bay in its monthly State-of-the-Bay report. This compares to 12,297 on April 1.

mano, verifies the following figures, which represent 22.4 percent of the 57,326 acres presently closed in the Commonwealth: Town of Westport, 670 acres, plus 555 acres closed conditionally (due to rain, which washes pollutants into the Bay); Town of Dartmouth, 1,701; Town of Acushnet, 59; City of New Bedford, 4,168; Town of Fairhaven, 4,480; Town of Mattapoisett, 165; Town of Marion, 42; Town of Wareham, 325; Town of Bourne, 655; Town of Falmouth, 9; Town of Gosnold, 32. In the Towns of Falmouth and Gosnold, only closures fronting on Buzzards Bay are included, and not those on Nantucket Sound.

The Coalition continues to urge householders to pump their septic systems regularly and boaters to use pumpout facilities where available, or to dispose of septage no closer than three miles from shore. Also, pet owners are asked to clean up after pets, both on the beach and in yards and streets to prevent stormwater from carrying feces into drains that lead into water bodies. Residents are reminded not to feed waterfowl, as this encourages them to stay yearround.

Shellfish bed closures are triggered by high fecal coliform counts, which result in part from the negligence referred to above. The coliform level that closes beds is 14 per 100 milliliters (3 ounces) of water sampled in the area, while a level of 200 per 100 milliliters closes swimming areas.

Local coliform counts are expected to rise

with warm weather when unmaintained septic systems and wastes from boats and pets take their toll. Seth Garfield, president of the board of the Coalition, reminds watershed residents, "We encourage people to take responsibility and do their part to keep this pollution down. In one way or another, shellfish bed closures impact every person in the Buzzards Bay watershed, whether their interests are economic, environmental, recreational, or esthetic. This is why there is an intense need to find permanent solutions to the Bay's pollution."

For further information contact Mimi McConnell at the Coalition's office, 759-5761, Ext. 334, or P.O. Box 268, Buzzards Bay, MA. 02532.

"Heritage Potpourri"

OPENS SEASON AT HERITAGE PLANTATION

"A Heritage Potpourri", a show of museum staff arts and crafts, will open Sunday, May 21st, in the Old Barn Gallery at Heritage Plantation of Sandwich. The exhibit is the first of five changing art exhibitions which will take place in this gallery during the 20th Anniversary season. It will run through Sunday, June 4th.

Greet some of the Museum's creative staff members during a "Meet the Artist Reception" from 1:00 to 3:00 p.m. Refreshments will be served.

Many of the exhibitors have degrees in Fine Arts while others are recognized professionals in the crafts.

Potpourri is an apt name for this exhibition as it is varied in scope. Original Pen and Ink Drawings and Polish Paper Cutting by Phillips Dolan, Artist Preparator, are included in the show. Two quilts, "Rose Patchwork Sampler" and "Legacy", both hand quilted by Helen Yodis Mihalko, Heritage Plantation Membership Secretary, will be in the show.

Children's Theatre Workshops

Theatre One's Children's Summer Sessions will be offering 4 classes this season. The first registration is June 5th at 4 p.m. and will meet every Monday and Wednesday from 4 to 6 p.m.; the second class, June 22nd, at 9 a.m., and will meet every Tuesday and Thursday from 9 a.m. to 12 noon; third class, July 10th, at 4 p.m. and will meet every Monday and Wednesday from 4 to 6 p.m.; and the last registration for the Summer Session will take place on July 25th at 9 a.m. and will meet every Tuesday and Thursday from 9 a.m. to 12 noon.

TOP's Children's Theatre Workshops are a five-week course with the main objective of guiding children to develop and apply communication skills: Speech, Creative Movement, Literary Interpretation, Concentration, Poise and Self-Confidence. Each workshop culminates in the performance of a play on the stage at Theatre One.

Registration forms and schedules can be obtained by calling Theatre One Productions

(Classes subject to change due to enrollment of students.)

Summer Coastal Studies Program

Each summer local students have the opportunity to explore the coast through laboratory and field activities, meet new people their own age, and learn skills such as canoeing, camping or snorkeling. This summer the Lloyd Center for Environmental Studies will again be offering its award-winning Summer Program in Coastal Studies, now in its eighth year.

The Summer Program is a four-week hands-on science program for students entering grades 6 - high school. The program is designed for students interested in the ecology of southeastern New England. Each of the four sessions has its own theme and emphasizes both field study and recreation. The students learn scientific methods and laboratory techniques. Each group will participate in an overnight camping trip, a whale watch and other trips to local natural areas. Students meet at the Lloyd Center daily, 8:30 a.m. to 3:00 p.m.

Coastal Ecology is the theme of the sixth grade program which meets July 5 - July 28. Habitats studied include the salt marsh, estuary, beach and rocky coastline. The students learn why each habitat is important as a natural resource. Students will have the opportunity to learn about research first-hand by accompanying one of the Lloyd Center researchers out into the field and learning sampling techniques used by researchers in the field and in the laboratory. Canoeing and camping skills

are also an important portion of this session.

Marine Biology is the focus of the seventh grade program which meets July 31 - August 25. Students in this program take a closer look at the plants and animals that inhabit the coastal environment and the interrelationships between these inhabitants. Eel grass beds, tide pools, mud flats. salt marsh, estuary, beach, dunes and fresh water streams and ponds are explored during the month. Students also dissect species of organisms to learn internal and external structure, feeding mechanism and habits. Students will study the life beneath the ocean surface by snorkeling the area.

The eighth grade program theme is Forces that Shape the Coast, July 31 - August 25. Students in this program study the physical properties which continually shape the coast. Waves, currents, and tides are studied both in the laboratory and in the field. Map and compass skills are taught to the students along with the glacial effects and the geology of this region. A bathymetry study of the Slocum River will also be completed by the students.

The High School program, which meets July 5 - July 26, is Photography and Natural History. The natural history of the area will be studied by participating in a major research work begun by the Lloyd Center staff. These projects will allow us to monitor changes in local ecology. Pro-

jects that may be included this summer are: algae concentrations in the Slocum River, human impact on piping plovers (a federally endangered bird species), bathymetry of the Slocum River, and benthic life in Allens Pond, a tidal salt pond. A second important portion of this session is photography. Students will learn to use a 35mm camera, black and white processing and printing. Critiquing the students' work will help each person become a better photographer. Professional photographers will teach the students about various skills needed for good photos (including underwater pictures).

The Summer program is offered to local students at a fee of $350. for non-members and $300. for Lloyd Center members. This fee includes all costs of instruction, group equipment, entrance fees and travel, thanks to the Corporate support of GHR Engineering and Imperial Color Graphics, Inc. Some scholarships will be available due to the generous contributions of the Dartmouth Natural Resources Trust and the Westport River Watershed Alliance. For more information on the Summer Program or other educational programs offered please contact the Lloyd Center at 990-0505.

Tobey Sibling Program

Area youngsters awaiting a new brother or sister can learn just what to expect at Sibling Classes sponsored by Tobey Hospital.

The next class will be held on Saturday, May 27th, from 3 to 4:30 p.m. in the hospital library. The program is open to all children aged three and over.

Those participating will learn how to diaper, feed, and cuddle the new arrival, and will take tours of the maternity department including observing newborns in the nursery. The program also includes a brief slide presentation on how a baby is born.

The class is limited to 10 children and registration is on a first-come basis. The fee is $5.00 per child or $8.00 per family.
